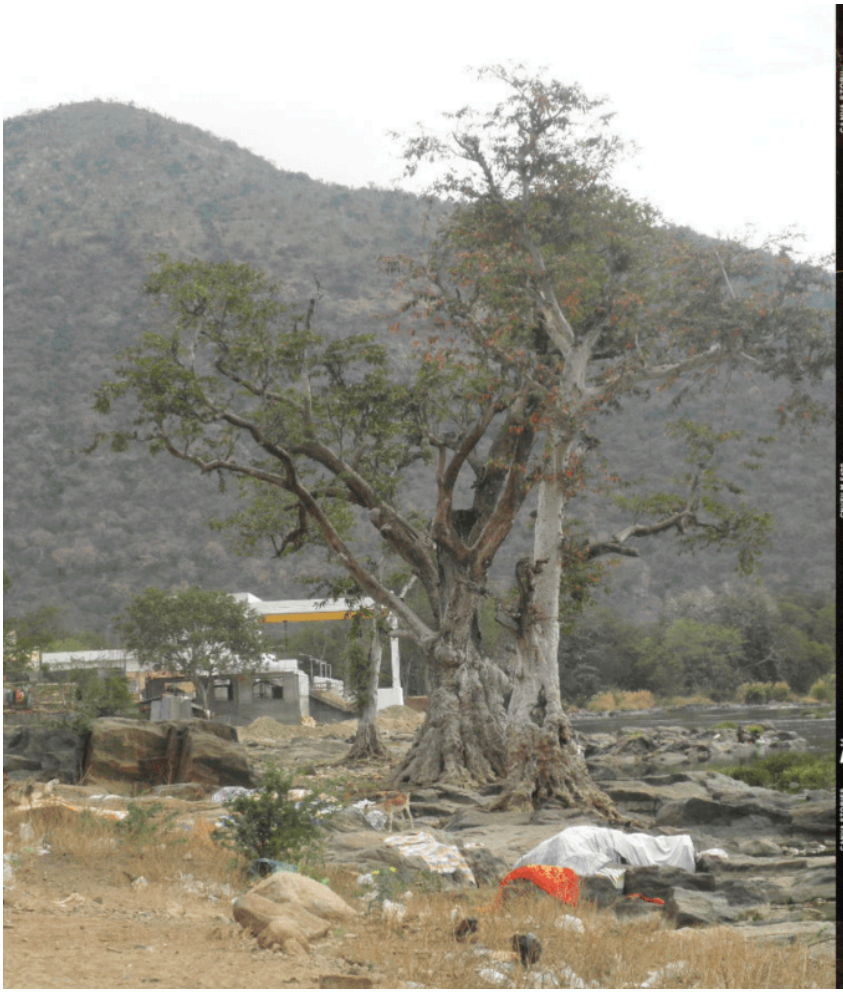
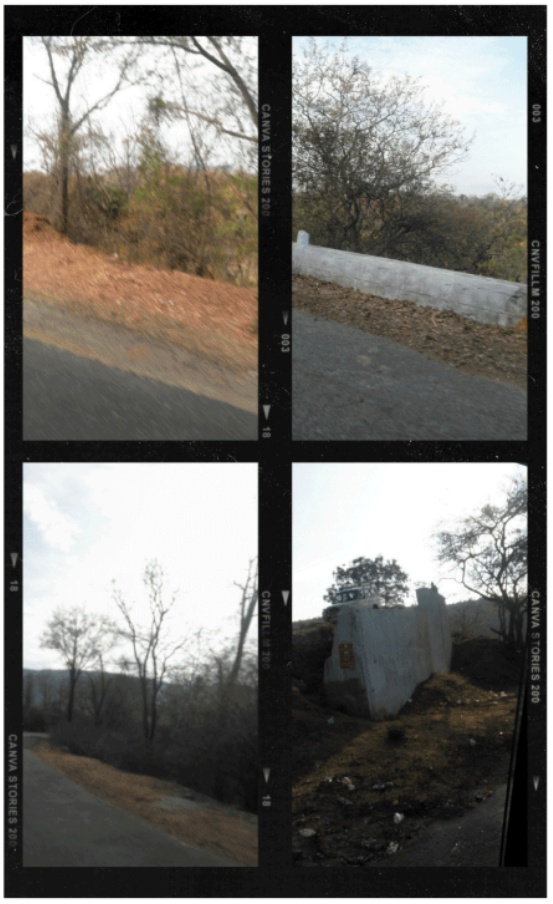
After a long time, I visited Mettur along with my two periappas family, and we had a great time exploring the dam together😁.

DVD





We had a fantastic day in our hometown. Amma celebrated her 50th reunion from primary school. Additionally, Amma, Ronald, Agasheal, and I enjoyed a refreshing bath at the lake.

I believe this was my final trip to Mysore. Although I had been to Mysore before as a child and visited various places, this time I felt disappointed because I could only stay in the parking area.😖

It was a trip to both my mother’s and father’s native places. We went to attend a reunion function at my mother’s primary school. During the trip, I enjoyed bathing at the lake with Ronald and Aghashieal🥰. It was also the first time I met my cousin Shyam🤩.

Hogenakkal, yes, even during this visit, it was my first time revisiting after the accident. I recall that while my mother went to prepare food, my father and brother went to the falls, and I was left in the parking area. The weather was hot and sweaty, and I felt upset that I couldn’t play in the water😑. However, on our way back, a little far from the area, my parents managed to find a place for me to take a bath in the river. It made me incredibly excited and happy😄.
